Outreach Mission to Cabo Verde

During October 17-20, the Center carried out an outreach mission to Cabo Verde led by the Center Coordinator and comprised the Advisors for Public Financial Management (PFM), Revenue Administration and Real Sector Statistics. The team met with the Minister of Finance as well as the senior staff of the Ministry, the National Directorate for the State Revenues (DNRE) and the National Statistics Institute. Based on the discussions, the mission agreed with the authorities on priority capacity building reforms under each sector which could be supported by the Center.

AFW2 TA Missions

Revenue Administration

Cabo Verde: December 14 - 22
An AFW2 mission provided Technical Assistance to the DNRE on Risk-based compliance management.

Ghana: August 24 - September 6
There was a mission on the development of an excise operational policy and procedures manual for the Ghana Revenue Authority (GRA).

Liberia: August 29 - September 2 & November 8 - 25
AFW2 TA missions assisted the Liberian Revenue Authorities (LRA) with their customs reform program and project management. The missions built capacity of staff in strategic and project management and also worked with the relevant units of the LRA to design a governance framework for their flagship change program.

November 27 - December 1
AFW2 conducted a training for GRA officials on the Tax Administration Diagnostic Assessment Tool (TADAT) as part of the country’s preparation for a TADAT assessment in the year 2017.

October 3 - 14
AFW2 conducted training to build the capacity of LRA staff on post clearance audit (PCA). This mission was part of efforts to consolidate the setting up of a more effective and focused PCA program in the LRA and to enhance audit skills to deliver good audit results.
AFW2 provided TA to the LRA to enhance the process of quality design and management through the development of Standard Operating Procedures (SOP) for LRA’s corporate function.

Nigeria: September 19 - 30
AFW2 assisted the Federal Inland Revenue Service (FIRS) in reviewing its Strategic Plan, developing plans for FY 2017 and assessing the monitoring & evaluation (M&E) processes. The mission developed an M&E scorecard for the Executive Chairman with key performance targets at the corporate level to be used to monitor performance against the annual corporate plan.

September 26 - October 7
The second of the two groups of auditors from the FIRS (about 40) was trained on telecommunication audits. The training covered the risks and issues to be addressed in auditing the telecommunication sector, and introduced participants to the use of computer audit skills to help in analyzing the huge volumes of data.

Sierra Leone: September 21 - October 4
An AFW2 mission undertook a review of the National Revenue Authority’s (NRA) Revenue Intelligence and Investigations Unit (RIIU) and trained staff of the unit. The training is part of a build up to a more comprehensive compliance management program that will be developed to address issues that came up in the TADAT assessment.

November 7 - 25
A mission to conduct a review of the General Sales Tax (GST) design and compliance, and develop a Taxpayer Service (TPS) strategy was conducted. This was the first part of a peripatetic mission towards strengthening the compliance management capacity of the National Revenue Authority (NRA).

The Gambia: October 31 – November 11
There was an AFW2 mission to The Gambian Revenue Authority aimed at building capability in the compliance risk management for domestic taxes.

Public Financial Management (PFM)

Cabo Verde: October 10 - 25
On the back of the Center’s scoping mission to Cabo Verde, the PFM Advisor also conducted a scoping mission to discuss reform and TA priorities which will inform AFW2 TA.

Ghana: September 21 - October 4
A team from the IMF’s Fiscal Affairs and Statistics Departments (STA) as well as AFW2 visited Ghana on Government Finance Statistics (GFS) and fiscal reporting. The aim of the mission was to assist the authorities to address discrepancies between the above-the-line and below-the-line items in the fiscal accounts.

Liberia: November 2 – 16
AFW2 conducted a mission to support ongoing reforms in the implementation of the TSA, cash management, and oversight of State-Owned Enterprises (SOEs). The mission made various recommendations on advancing these reforms.

Workshops

Workshop on TSA Design & Implementation
September 6-8, Lagos, Nigeria (PFM)
AFRITAC West 2 conducted a regional workshop on the design and implementation of the Treasury Single Account (TSA) for its member countries. As many of the AFW2 countries are pursuing TSA as part of their PFM reforms, the workshop acquainted country authorities with good practices in TSA design and implementation. It also provided a platform to share experiences across the AFW2 region particularly as they relate to recent developments and current practice and identified necessary actions to be taken in each AFW2 country to ensure a successful TSA implementation. The closing ceremony of the workshop was addressed by Honorable Nasir El-Rufai, Governor, Kaduna State, Nigeria who also launched the Kaduna State TSA Operations Manual which was developed with TA from AFW2.

Audit Training of Trainers Workshop
October 24- November 4, Monrovia, Liberia (Revenue Administration)
In recognition of the need for member countries to improve domestic resource mobilization and to improve tax compliance, a key aspect of the Sustainable Development Goals (SGDs), AFW2 in
The seminar, targeted at high-level central bank officials from Sub-Saharan African countries had 34 participants; mainly central bank deputy governors and heads of research & operations departments from 13 countries. It presented a forum to foster policy dialogue among the countries as well as to facilitate the exchange of knowledge and experience with a view to helping central banks identify strategies to effectively implement reforms.

This was followed by a 5-day workshop to build the capacity of mid-level central bank officials on the same topic for AFRITAC West 2 and AFRITAC South (AFS) member countries. This technical training workshop attracted 33 participants from 11 countries including Nigeria, Ghana, Sierra Leone and The Gambia.

National Accounts Workshops
November 21-25, Banjul, The Gambia
(Statistics)

This was the second workshop conducted on national accounts by AFW2 since the commencement of the office and the end of the Ebola crisis. The workshop deepened understanding of specific issues related to the foundations of national accounts statistics, in particular, classifications and survey methodology. Managers and compilers of statistics had the opportunity to share their views throughout the workshop.

Evolving Monetary Policy Framework
November 3-11, Ebene, Mauritius
(MONOPS)

From November 3 - 11, the IMF through a collaboration between its Africa Training Institute (ATI), Africa Department, Monetary & Capital Markets (MCM) Department and the Institute for Capacity Development (ICD) conducted a two-day peer learning seminar on modernizing monetary policy frameworks in Mauritius.

The workshop was opened by Mrs. Elfrieda Tamba, the Commissioner General of the Liberia Revenue Authority (LRA).

Participants at the high-level peer learning seminar
There was considerable discussion throughout the workshop, demonstrating that there is a good understanding of the concepts with some compilers. For others, it was an opportunity to gain more of an understanding of the fundamental concepts. The workshop was opened and closed by the Statistician General of the Gambian Bureau of Statistics, Mr. Nyakassi M.B. Sanyang.

Joint AFW2/AFRITAC East Workshop on Public Investment Management
November 28 - December 2, Kigali, Rwanda (PFM)

AFW2 collaborated with another RTAC, AFRITAC East (AFE), in hosting a workshop on strengthening institutions for Public Investment Management. The workshop addressed the institutional arrangements required for a strong public investment management function, as well as key aspects of the public investment management cycle. It also introduced participants to the Fund's new Public Investment Management Assessment framework. Participants in the workshop were drawn from the Ministries of Finance of all six of AFW2 member countries, as well as Ethiopia, Kenya, Malawi, Rwanda, Uganda, and Zanzibar from AFE's membership. The workshop was opened by the acting Permanent Secretary of Rwanda's Ministry of Finance and Economic Planning, and was also addressed by the Fund's Resident Representative in Kigali.

Workshop on Compliance with Committee on Payment & Market Infrastructures, International Organization of Securities Commissions (CPMI-IOSCO) Principles for Financial Market Infrastructures (FMI)
December 5 – 9, Lagos, Nigeria (MONOPs)

In collaboration with the WAIFEM, AFW2 held a 4-day payment system regional workshop for AFW2 central banks. The purpose of the workshop was to discuss the industry-standard CPSS-IOSCO Principles for FMI compliance issues with senior payment and settlement systems officials involved in both operations and oversight and support their respective central banks’ efforts towards compliance. The event provided the participants with a forum to exchange ideas on compliance and assessment challenges facing the authorities and how compliance may be achieved in spite of the challenges. Current developments and new trends such as cyber security and ‘FinTech’ (the extensive use of new financial technologies in the payment and settlement system) were also discussed. Participants also had the opportunity to assess the financial market infrastructure in their respective countries. Participants at the workshop particularly appreciated the very well-structured and delivered case study on the payment system of a fictional African country, Afrinia.

Mr. Jaideep Kumar Mishra joined the AFRITAC WEST2/IMF Centre in October 2016 as a PFM advisor for the region. With over 23 years of experience of working in the public sector across the governments of his home country, India, and with IMF and UN in other countries in Asia and Africa region, he brings a wealth of PFM expertise. While his areas of work include supporting reforms in various PFM components covering budget execution, reporting and cash management, his areas of special interest relate to leveraging technology in the PFM cycle. These specifically include designing and implementing IFMIS and TSA systems and strengthening internal controls while transitioning towards adopting the risk-based framework for internal audit in the government. An engineering graduate with a Master’s degree in Business Administration in Finance and a PhD in data processing, he is an active researcher and a keen capacity building trainer in various aspects of PFM and related IT issues.

Ms. Tsegereda ‘Reda’ Mulatu joined the AFW2 team recently as a Result-Based Management (RBM) Advisor. Prior to coming to AFW2, Reda worked in the Monetary and Capital Markets (MCM) department in IMF HQ since 2000, most recently as a Technical Assistance Officer.

Ms. Deborah Morrison is a Staff Assistant based in IMF/AFRITAC West 2. Deborah has over eight years’ experience in administration, management and human resources. Prior to joining the Fund on October 14, 2016, she served as an Administrator in a real estate company. She also worked as an Administrative Assistant and later as an HR Assistant with New Crystal Health Services Limited, one of the largest private health care service providers in Ghana.
